

## Production Terms & Conditions – Print, sign & submit at Audition

---

I agree to pay a \$50 fee to participate in the production if I am accepted into the cast or crew. Money to be paid online through the TryBooking link before Auditions to collect a script.

I agree to return the script, free of any permanent markings. (4B pencil markings permitted only)

I agree to abide by the \*‘three strikes’ policy and acknowledge that inappropriate behaviour or missing rehearsals could lead to me being asked to leave the cast. (\* A strike will be issued - if a student does not attend a rehearsal without communicating a valid reason to one of the production team - if a student acts in any way that causes disruption to the rehearsal process.)

I understand that I am committing to rehearsing after college hours throughout terms 2-3, as well as some holiday and weekend rehearsals, when necessary.

I understand that the production cannot be used as an excuse for non-submission or late submission of work. My college work is my responsibility and I must make sure I am communicating with my teachers and am aware of subject requirements.

I understand that my teachers have final say in whether I am eligible to participate in the production. I will personally approach each of them for their consent.

I understand that by participating in the Production, that my image will be used for Publicity purposes through a variety of media formats, including but not limited to Facebook, Instagram, website and print media. Therefore, I give consent for use of images and video recordings to be used in these platforms.

I understand that ‘Seussical’ is a Licensed Production and therefore all photography MUST be authorised by Thomas More College.
